

Final Capstone Project : Compare Manhattan and San Francisco

INTRODUCTION

Manhattan is in New York and San Francisco is in California, and both are in the USA.

Manhattan, often referred to locally as the City, is the most densely populated of the five boroughs of New York City and its economic and administrative center, cultural identifier, and historical birthplace.

Officially the City and County of San Francisco, is the cultural, commercial, and financial center of Northern California. San Francisco is the 13th-most populous city in the United States, and the fourth-most populous in California

PERSONAL PROBLEM

I live in Lima Peru, It's probably that I get a job in the EEUU, and there are two places where I probably have to move Manhattan or San Francisco; So, I have to analyze If will move to San Francisco or Manhattan.

Basically, I am interested in:

_Education, so I have to analyze if I have the same opportunities in Santiago, how many universities I have near the downtown.

_I want to analyze about my hobby (Go to the cinema, Theater and museum).

_Finally I am really interested about food, I have la best food in Lima Peru, So I want to know If I will find good restaurants in that places.

DATA

I will use data from foursquare to compare both citys, and finally I will decide Wich city is better to move Manhattan or San Francisco considering education, places where I can spend my time and food are the same.
